## Website inventories:

Each complete a table below as you review the other's website.

| Feedback from Group Member 1 | |
|---|---|
| **Area** | **Feedback Notes** |
| Second Read | |
| Overall impression and style | <ul><li>It has a nice layout</li><li>I like the settings page</li><li>It has a nice flow</li></ul> |
| Landing page | Needs a bit of work, wording does not quite exist but is professional looking |
| Ease of navigation | You can click and get to everything needed, through each of the pages, good job |
| Third Read | |
| Website pages (portfolio, qualifications, service) | Needs work for wording but the layout in general is good and professional, Service needs to be capitalized, |
| Written text | Obviously needs a little work, there is potential for 300 words on multiple of the pages, Just needs to be formatted and |

| External links | Needs external links, some ideas could link to linked in, tamu account, socials |
|---|---|
| **Discussion** | |
| What things inspired you that you may want to consider for your website? | I really like the toggle feature |

| ***Feedback from Group Member 2*** | |
|---|---|
| **Area** | **Feedback Notes** |
| **Second Read** | |
| Overall impression and style | • Everything is there<br>• Barebones<br>• Style needs work |
| Landing page | • Formatting<br>• Visual flow is poor |
| Ease of navigation | • Acceptable, but needs formatting |
| **Third Read** | |
| Website pages (portfolio, qualifications, service) | • Home page needs more content<br>• About me should exclusively focus on self (Why is the first photo of your cousin?)<br>• Portfolio page needs spacing<br>• Qualifications page is good, just space out the area of interest<br>• Service page needs better visual flow<br>• Social media page could use formatting<br>• Just have fun needs more fun! |
| Written text | • has 300 words |
| External links | • All external links are present and working |
| **Discussion** | |

| What things inspired you that you may want to consider for your website? | Website needs more formatting especially for images |
